

DESIGN YOUR RIDE

THIS IS YOUR NEW ORCA M30TEAM 2023

REF: N112TTCC

サイズ: 51

Performance, technology and style have always been cornerstones of cycling. We may not compete but we love the feel of a racing bike – an Orca that is light, fast and beautiful. Professional athletes, weekend warriors, Strava hunters and recreational riders all have similar aspirations – we love the machine as much as the lifestyle.
